Subject: RE: Lake Champlain Wastewater Treatment Permit Schedule

Hi Rudy,

Thanks for sending this along, and thanks as well for putting together yesterday's sessions – they were very helpful.

All the best,
Haley

Subject: FW: Lake Champlain Wastewater Treatment Permit Schedule

Hi,

I understand from MaryJo that during the VT briefing yesterday afternoon a question was raised about the schedule for updated wastewater treatment facility permits for the Lake Champlain basin in Vermont. The state's proposed schedule is found in their final Implementation Plan on page 46 (plan attached). A couple permits (Williamstown, Montpelier) have been moved to 2017 because of facility-specific considerations (ex. changing outlet). Many facilities are within the new Lake wasteload allocations and may not need to upgrade their facility to meet the 2016 VT Lake Champlain TMDLs.

Please let me know if you have any additional questions. Have a great day.
